Title I Parent-School Compact

The staff, parents, and students at Temperance Kutner Elementary believe that it is critical for families and schools to work together to help students achieve high academic standards. Through a process that included teachers, families, students, and community representatives, the following are agreed-upon roles and responsibilities that we as partners will carry out to support student success in school and in life (ESSA Section 1116[d]).

Temperance Kutner Elementary is dedicated to ensuring that students are illustrating growth in academics by utilizing a research-based curriculum that is aligned with the California State Standards. Our staff is also committed to creating supportive and effective learning environments that support all students by building relationships with our students and community and by incorporating programs into our school day that foster building strong character and resilience. We are also focused on supporting our students through co-curricular activities that allow them to excel outside of the classroom. These components together ensure we are meeting our district goal of educating the whole child in mind, body, and spirit. (ESSA Section 1116[d][1]).

When schools and parents partner together, students achieve more!

At School: Our staff is dedicated to:

1. Holding students to high expectations and motivating them to do their best
2. Ensuring open communication with families through our weekly newsletters or ClassDojo and encouraging parent involvement
3. Utilizing academic strategies that increase rigor and student engagement
4. Support our students' Social-Emotional needs through Positivity Project, PBIS, and more
5. Be respectful of the school, staff, students, and families

At Home: Our parents are dedicated to:

1. Holding students to high expectations and reinforcing the importance of education
2. Maintaining open communication with the school
3. Encouraging a love of reading through daily/nightly reading at home
4. Being active participants in school events
5. Ensuring their students attend school regularly

Our students are dedicated to:

1. Coming to school daily ready to learn
2. Setting goals and working towards them
3. Communicating with their teachers and parents/guardians
4. Be respectful of the school, my peers, the staff, and other families
5. Take responsibility for my behavior

This compact is an agreement between the staff and families at Temperance Kutner Elementary and is in effect for the 2023-2024 school year.
